

Let's Have a Party!!!!

Celebrating a birthday is important to a child, especially at school. OPAA! Food Management would like to provide you with fun, prepared treats delivered to your child's classroom.

These treats will be packaged so that your child may pass them out to their classroom during Birthday Treat time. All ice cream treats are within the Wellness Program guidelines in place at our school district and complies with our peanut free environment.

You may contact Cindy Gullett by calling the Maple front office, e-mailing her at gullettc@smithville.k12.mo.us or by filling out this form and returning it to school 2 weeks prior to your child's birthday or your child's half birthday (if they have a summer birthday).

Price is \$.75 per student. We will contact your child's teacher the morning of the treats and get a count of how many students are present that day. Your child's account will be charged accordingly.

Student's Name: _____ Teacher's Name: _____

Date of Party: _____ parents signature: _____

_____ Fudge Bar

_____ Cookie & Cream Bar

_____ Vanilla Ice Cream Sandwich

Please make sure there is money in the student's account before the day of the party so that the account does not go into the negative.

Let us **"MAKE YOUR DAY"** and leave you with the fun and enjoyment of celebrating your child's special day.

THANK YOU!
