

2019-20 Board of Education Priorities

To increase external communication and customer service with the community, civic leaders and patrons to educate on school funding issues and other important district topics. (3.1, 3.2, 4.1)

Develop a new ten-year master building plan. (Strategic Objective 3)

The implementation of researched best practices in the areas of recruiting, hiring, evaluation, development, and retention of staff; including a focus on effective communications between all stakeholders to accomplish these goals and to maintain good morale. (6.1, 6.2, 6.3)

To facilitate activities and practices that increase the level of staff and student acceptance as it relates to the diverse backgrounds of others. (Core Value 2, 3, 4, 5, 6; Strategic Objective 2, 4)

To exercise fiscal responsibility by balancing the budget and building reserve balances to 21% by FY22. (4.1, 6.1)

Develop a strategic vision for early childhood education by FY 21, providing sequential priorities and direction for the expansion of services. (5.2, 5.3)
