

COVID-19 Related Contacts

Building Nurses (or the athletic trainer at the HS) will take the lead in their respective building to begin contact tracing with the assistance of Denise Harwood (Director of Student Services), school administrators, teachers and coaches. Contract tracing at the school level is the identification of exposure at school or school events.

Denise Harwood (hardwoodd@smithville.k12.mo.us)

- Director of Student Services
- SSD Liaison to Clay County Public Health Department
- Will provide support for all student cases
- **NOTE:** will handle all questions to **CCPHC** on behalf of Smithville School District
