Warrior Families!

I hope you all have had an amazing week! It has been such a whirlwind of weather!! This week at Smithville High School was a busy one but students will already get to relax with their four day weekend. School will not be in session on Friday, January 17th while teachers are engaging in professional development and Monday, January 20th for Martin Luther King, Jr. day.

Just a reminder as we get back into the swing of things that attendance matters!

Smithville School District and the state have set the attendance goal at 95%. Reports will be pulled weekly and notification to parents occurs every 20 days. Administration will follow up with students and parents as needed. Per Smithville High School, once a student has missed 15 total blocks of a class, the required seat time has not been met and must be made up in order to earn credit regardless of the reason for the absence (excused or unexcused). This does not include school sponsored activities. Please communicate with us if have questions. As always, I am open to feedback and ideas you might have for us. You can reach me by email platt@smithville.k12.mo.us or appointment 532-0405. Happy 2020!!

Your Proud Principal,
Dr. Tracy Platt
