Dalaney Pollard - She is an excellent student who does the work as is expected on both in person and hybrid days. She is outstanding in the classroom when questions need to be answered through bell ringers or random questions that pop up during class time. Dalaney is overall the student all teachers want to have.

Shout out to the following Interact Students for serving at Harvesters and Warrior Closet this week! Way to put "Service before Self".

Homecoming "REVERSE" Parade

In compliance with COVID regulations, a "reverse" parade is planned for this year's homecoming activities. The reverse parade reverses the roles of the viewers and participants. The parade floats and participants will be stationary this year and the viewers

will "parade" drive through the stationary floats. Stationary floats will be SHS activities only.

The reverse parade route starts at the main entrance of SHS and circles at SMS ending at the parking lot exit to Commercial.

We look forward to seeing you drive by! If you would like to donate candy or other promotional items for the candy stop, please email SHirl Nichols at nicholss@smithville.k12.mo.us. Viewers will also have the option of donating to the Penny Challenge at the last stop of the reverse parade. Coins collected will be used to buy Watch Party packs (football concession stand items) for Smithville families.

October 21- Virtual Students
3:00-5:00 pm in the PAC.

SHS will be holding an optional ACT practice test for current Juniors on Friday, October 23rd from 7:45 am-noon. The test will be given at the high school and students will be spread out to maintain physical distancing. Even though this is a virtual learning day, ACT testers will be expected to be in attendance at the high school. The purpose of this test is to provide students with a baseline score so they know what academic areas to work on before they take the official test.

Additionally, juniors may elect to participate in an ACT Virtual Bootcamp to be held on Wednesday, November 11 from 8am-noon. This is an interactive test prep with built-in breaks that students will access from home. Please consult your student's counselor if you have questions about whether the ACT is recommended. Typically, students pursuing post-secondary education take the ACT. It is required for admissions at many 4 year universities and is used as a placement test at community colleges.

In early November, you will be given an opportunity to sign up for a fee waiver to be used to take the official ACT for free on your own at a local testing center.

You must sign up [here](#) by October 10th for the October 23rd Practice ACT and/or the November 11th ACT Virtual Bootcamp.
