**OFF-CAMPUS PERMIT
WITHIN SCHOOL DISTRICT BOUNDARIES
2019-2020 School Year**

The community of Smithville has numerous opportunities for student outings and field trips away from the school campus. Such opportunities are important resources for the classroom teacher.

All field trips require written parental permission. This form is designed to give your child permission to participate in field trips that are within the boundaries of the Smithville School District. Such field trips will either be walking field trips, or field trips by school bus. (Field trips outside of the Smithville School District will require a permission form specifically for that trip.)

Thank you for your consideration in this matter.

Sincerely,
Rena Hawkins
Maple Elementary Principal
